The Scud Runner

AUGUST 2012

Lunch at the Pyper Kub, Williston
August 11th, 2012

We've been here for breakfast/lunch before and all enjoyed it. Come join the fun. They're open at 7am for breakfast so come early enough for breakfast if you want or come for lunch. Most FSAACA folks arrive around mid-morning and depart after lunch.

The Pyper Kub Restaurant wants to know approximately how many are coming so please email the Prez, Kim Capozzi, at mx180a@aol.com or call 352-475-9736, as soon as you can.

The airport (X60) is just SW of Williston at 29.2603 and -82.4707 on your GPS and has two long hard surface runways. The ramp is on the NW side of the runways.

Driving in - Williston is west of Ocala at the crossroads of highways 27 and 41 and the airport is just off 41 a little south of town. You'll see a sign to go west
